1. In compliance with the Decisions of the Single Judge of the Pre-Trial Chamber of 15 May 2006¹ and of 24 May 2006,² the Prosecution herewith submits a further "Inspection Report"³ in respect of the inspection of materials that fall under Rule 77.

2. For the purpose of the inspection that was scheduled on 21 June 2006, the Prosecution identified eight documents that fall under Rule 77. In this particular instance, the Prosecution has received all documents concerned either electronically or is in possession of electronic copies only as it returned the originals to the respective providers.⁴ Therefore, on 21 June 2006, the Prosecution provided the Defence - with its agreement - a CD containing the electronic version of the documents,⁵ instead of physical inspection.
