Background

1. Following a series of filings as further detailed in the 25 August 2006 "Decision on the Prosecution practice to provide the Defence redacted versions of evidence and materials without authorisation by the Chamber"¹ (Decision) of the Single Judge of the Pre-Trial Chamber (Single Judge) and final oral submissions of the Parties during the Status Conference of 24 August 2006, and pursuant to the order of the Single Judge in the Decision, the Prosecution on 28 August 2006 filed the "Prosecution's Request for Authorisation of Redactions in Documents"² whereby it requested authorisation from the Single Judge to redact fourteen documents the Prosecution intends to rely on at the Confirmation Hearing or provide for inspection pursuant to Rule 77.
2. At an *ex parte* hearing held on 1 September 2006 the Single Judge decided that the Prosecution should re-file the fourteen documents after having thoroughly revised them in light of the concerns raised by the Single Judge, in order to ensure consistency and to adequately guarantee the protection of the relevant witnesses.
