SITUATION IN UGANDA
Case 01/05

PUBLIC REDACTED VERSION

**Annex A and B to "Update of Proposed Treatment of All Relevant Documents
 of the Record and Application for Entry of Reasons for Sealing into Public
 Record"**

The Office of the Prosecutor	
Mr. Luis Moreno Ocampo, Prosecutor Mrs. Fatou Bensouda, Deputy Prosecutor Ms. Christine Chung, Senior Trial Lawyer Mr. Eric MacDonald, Trial Lawyer	

The Prosecutor respectfully submits, under seal, Annex A and B to the “Update of Proposed Treatment of All Relevant Documents of the Record and Application for Entry of Reasons for Sealing into Public Record,” being filed concurrently today as a public document.

Request for Sealing

1. Because this submission refers to currently sealed information in submissions, transcripts, and decisions, the OTP requests that this submission also be received under seal, and *ex parte*, and that the contents of this submission remain sealed while the Chamber continues to consider the proposed treatment of documents of the record of the situation and of the case.

Description of Annex A and B

2. Annex A is entitled “14/11/05 UPDATE: Submissions, Decisions and Transcripts Currently or Previously Under Seal, in Whole or in Part – Proposed OTP Treatment and Court Rulings Thus Far.” It consists of a chart detailing the proposed treatment of any document that: (1) has not yet been treated by the Pre-Trial Chamber in its Initial or Second Unsealing Decisions; or (2) post-dates 14 September 2005 and is currently sealed, whether in whole or in part.
3. Annex B is entitled “All Submissions, Decisions and Transcripts Currently or Previously Under Seal, in Whole or in Part – Proposed OTP Treatment and Court Rulings Thus Far.” It is a chart in which is identified each of the

rationales advanced by the OTP for any continued sealing or redactions it has requested from the Chamber, with respect to all submissions, transcripts, or decisions that have been any part of this proceeding to date.

Luis Moreno Ocampo
Prosecutor

Dated this 14th day of November, 2005
