The Office of the Prosecutor ("Prosecution") herewith submits the Pre-Inspection Report for three documents provided to the Defence for inspection on Monday, the 21st January 2008 pursuant to Rule 77 of the Rules of Procedure and Evidence ("Rules"). The documents provided for inspection were initially obtained by the Prosecution under Article 54(3)(e) of the Statute ("Statute"), and for which the providers have now lifted restrictions on disclosure.

Request for Confidentiality

The Prosecution requests that Annex A appended to this communication be received by the Single Judge as "Confidential" since it relates to material that is already confidential.

The Prosecution herewith annexes the "List of Disclosed Materials"¹ provided to the Defence for inspection. In particular, the Prosecution draws attention to document no. 2 on the "List of Disclosed Materials", which has been provided for inspection in redacted form. The redaction contained in this document emanates solely from the providers, who agreed to lifting restrictions on the document with redactions, as a condition for lifting. The other two documents contained in the List of Disclosed Materials provided for inspection to the Defence have been provided in unredacted form, as the providers did not impose conditions for lifting restrictions.

Prosecutor
