On 29 January 2008 the Office of the Prosecutor ("Prosecution") submitted together with the Document Containing the Charges its List of Evidence. It has come to the Prosecution's attention that the List of Evidence contains a number of clerical errors. For ease of perusal, the Prosecution is herewith submitting, a "confidential, *ex parte* Prosecution only" Annex A containing an amended version in English of the List of Evidence in its unredacted form, a "confidential, *ex parte* Prosecution only" Annex B containing an amended version in French of the List of Evidence in its unredacted form, a confidential Annex C containing an amended version in English of the List of Evidence in its redacted form and a confidential Annex D containing an amended version in French of the List of Evidence in its redacted form. None of the amendments involve substantive issues related to the content of the List of Evidence.
