The Presidency of the International Criminal Court (“Court”),

In the application of Mr Jean-Pierre Bemba of 9 September 2008 for judicial review entitled: “Request for Review of the Registrar’s Decision of 25 August 2008 on the Application for Legal Assistance Paid by the Court”;¹

Recalling that on 10 February 2009 the Presidency issued a confidential decision on the application entitled “Decision on the ‘Request for Review of the Registrar’s Decision of 25 August 2008 on the Application for Legal Assistance Paid by the Court’”² (“Decision”), in which it determined that in the absence of any communication to the contrary from Mr Jean-Pierre Bemba Gombo prior to 16 February 2009 it would file a public redacted version of the Decision;

Noting the absence of any such communication, the Presidency annexes to the present decision a public redacted version of the Decision;

Informing that in order to enable identification of repeated references to the same figures in the public redacted version of the Decision, wherever possible the redaction of numerical figures is done in the following form:

[€A] – [€S]; each letter representing a distinct monetary sum, and
[x] and [y]; each letter representing other non-monetary numerical figures.

Done in both English and French, the English version being authoritative.
