TRANSMITS to the Chamber the following report on 82 applications for participation in the proceedings.

A. Background and content of this report

1. The present report covers 82 applications to participate in the proceedings. Of these, all are natural persons and none are organisations or institutions.
2. The 82 applications have been filed with the Chamber. The present report serves to transmit to the Chamber the reports which are required by regulation 86(5) of the Regulations of the Court as further elaborated by the memorandum of the Presiding Judge dated 16 September 2010.
3. All the applications that are the subject of this report appear to the Registry to be linked to the charges in the case of *The Prosecutor v. Jean-Pierre Bemba Gombo*.⁷

4. In accordance with the 22 February 2010 Decision,⁸ the Registry is filing only applications that appear to be complete, as assessed by reference to the relevant legal texts and jurisprudence.
5. This report provides an overview of the 82 applications transmitted, while the following documents are provided as annexes:
 - **Annex 1:** An explanation of the contents of the individual assessment reports which constitute Annex 3.
 - **Annex 2:** Map showing the geographical areas used to group applications.
 - **Annex 3:** Reports under regulation 86(5), providing the Registry's assessment of each application (as explained in Annex 1).
 - **Annex 4:** Memoranda sent by the Office of Public Counsel for Victims (OPCV) to the VPRS in relation to individual applications;
 - **Annex 5:** A memorandum sent by the OPCV to the VPRS regarding attempted murder in the framework of the present case
6. As described in its previous reports,⁹ the Registry has categorized applications according to the geographical locations at which crimes are alleged by the applicants to have been committed.¹⁰ These groupings are explained in Annex 1 and shown on the map comprising Annex 2. All 82 of the applications which are the subject of this report fall within Group D, indicating that the crimes described by the applicants are alleged to have occurred in and around Mounboumba and the surrounding areas.

accordance with the Chamber's Order of 7 October 2009", ICC-01/05-01/08-593, dated 4 November 2009.

⁸ ICC-01/05-01/08-699, paragraph 35.

⁹ Registry's Report on applications to participate in the proceedings, ICC-01/05-01/08-653-Conf-Exp, paragraph 8; Second report to Trial Chamber III on applications to participate in the proceedings, ICC-01/05-01/08-796-Conf-Exp, paragraphs 6 to 8, and annex 2 to that report (ICC-01/05-01/08-796-Conf-Exp-Anx2)

¹⁰ As set out in Public Redacted Annex B to the "Prosecution's Submission of the Document Containing the Charges as Confirmed by the Pre-Trial Chamber filed in accordance with the Chamber's Order of 7 October 2009", ICC-01/05-01/08-593, dated 4 November 2009.

B. *Prima facie* assessments in relation to rule 85

7. As requested by the Chamber, the Registry has, for each application covered by this report, undertaken a *prima facie* assessment of compliance with the requirements of rule 85. The reports which constitute Annex 3 show the individual results of these assessments, and the reasons for them (including whether the requirements of rule 85 are demonstrated and any legal issues which are apparent), as well as summaries of the applications.
8. In relation to each application, the Registry indicates either that:
 - (a) The application appears *prima facie* to comply with the requirements of rule 85; or
 - (b) Unclear: the Registry is not in a position to make a *prima facie* assessment without further guidance from the Chamber on specific matters that are indicated.

C. Memoranda from the Office of Public Counsel for Victims

9. The Registry has received the following memoranda from the OPCV which may be of relevance to the Chamber in determining the applications for victims status which are covered by this report and/or which will be covered by subsequent reports of the Registry:
 - (a) A series of memoranda sent by the OPCV to the VPRS which raise specific issues in relation to particular applicants represented by the OPCV. The Registry wishes to draw to the Chamber's attention that it has reviewed and taken into consideration the points raised by the OPCV in these memoranda when reviewing the applications concerned. However the Registry has conducted its own analysis and made its own assessments of the applications. The Registry's *prima facie* assessments as reflected in the reports comprising Annex 3 therefore take into account, but are not

determined by, the views of the OPCV as set out in the reports constituting Annex 3 to the present report.

- (b) A legal memorandum sent by the OPCV to the VPRS on 15 September 2010 concerning the question of attempted murder in the context of the present case. The OPCV has requested that this memorandum be presented to the Chamber. The Registry notes that the memorandum argues that attempted murder can be considered as included among the charges confirmed against the accused, and therefore that persons who have suffered harm as a result of an attempted murder within the geographical and temporal scope of the case should qualify for victim status in the case. The Registry wishes to indicate it does not oppose neither advocate for the OPCV's approach, hence it only transmits such position to the Chamber.

D. Protection

10. The Registry notes that the 82 applications which are the subject of this report have been transmitted in redacted form to the parties in compliance with the Chamber's order,¹¹ that applications for participation in the proceedings received by the Registry be transmitted to the parties in redacted form on an ongoing basis as and when they are prepared, and in accordance with the guidelines on redactions provided in the 22 February 2010 Decision. The redacted applications have also been notified to the legal representatives of the respective applicants in compliance with the Chamber's order conveyed by email on 26 August 2010 that in relation to all future applications the Registry should systematically notify the respective legal representatives of victims of the redacted versions of applications as notified to the parties.¹²

¹¹ Email of 16 September 2010 from the Legal Advisor, Trial Division, to the Director, Division of Court Services and the Chief, VPRS.

¹² Email of 26 August from the Legal Officer, Trial Chamber III to the Assistant Legal Officer, Division of Court Services.

11. At this time no further measures of protection appear to be necessary.
12. The Registry further wishes to inform the Chamber that it has not filed approximately 50 applications from Group D (covering the geographical area Mounougoumba and the surrounding area), either because they were not complete or because they did not appear to be linked to the case. This includes a number of incomplete applications for which missing documents or information has been requested and is awaited. The Registry will provide the Chamber with a report indicating the reasons why the applications were not filed with the Chamber, in accordance with the 22 February 2010 Decision, at paragraph 37.
13. With a view to implement the instructions conveyed by the Chamber in the email of 16 September, the Registry will continue to transmit applications processed on a weekly basis.
