⁸ Paragraph 33 of the 22 February 2010 Decision.

A. Background and content of this report

1. The present report covers 269 applications to participate in the proceedings. Of these, 268 are natural persons and one is an institution.
2. Four of the applications covered in this report have been filed previously,⁹ and were rejected by the Chamber.¹⁰ Following the Chamber's instructions in its 22 February 2010 Decision,¹¹ the Registry is transmitting these applications for reconsideration by the Chamber in light of information received subsequent to the original rejection.
3. The 269 applications have been filed with the Chamber on 15 July 2011. The present report serves to transmit to the Chamber the reports which are required by regulation 86(5) of the Regulations of the Court as further elaborated by the memorandum of the Presiding Judge dated 16 September 2010.
4. All the applications that are the subject of this report appear to the Registry to be linked to the charges in the case of *The Prosecutor v. Jean-Pierre Bemba Gombo*.¹²
5. In accordance with the 22 February 2010 Decision,¹³ the Registry is only filing the applications that appear to be complete, as assessed by reference to the relevant legal texts and jurisprudence.
6. This report provides an overview of the applications transmitted, while the following documents are provided as annexes:
 - **Annex 1:** An explanation of the contents of the individual assessment reports which constitute Annex 3;

⁹ a/0595/08, a/0719/10, a/1022/10 and a/1410/10.

¹⁰ ICC-01/05-01/08-807, ICC-01/05-01/08-1017 and ICC-01/05-01/08-1091.

¹¹ ICC-01/05-01/08-699, paragraph 20.

¹² As determined by reference to Public Redacted Annex B to the "Prosecution's Submission of the Document Containing the Charges as Confirmed by the Pre-Trial Chamber filed in accordance with the Chamber's Order of 7 October 2009", ICC-01/05-01/08-593, dated 4 November 2009.

¹³ ICC-01/05-01/08-699, paragraph 35.

- **Annex 2:** Map showing the geographical areas used to group applications;
 - **Annex 3:** Reports under regulation 86(5), providing the Registry's assessment of each application (as explained in Annex 1);
 - **Annex 4:** Memorandum sent by the Office of Public Counsel for Victims (OPCV) to the Victims Participation and Reparations Section (VPRS) in relation to individual applications;
 - **Annex 5:** Index showing applications filed with this report by geographical area A to D.
7. As described in its previous reports,¹⁴ the Registry has categorized applications according to the geographical locations at which crimes are alleged by the applicants to have been committed.¹⁵ These groupings are explained in Annex 1 and shown on the map comprising Annex 2. The applications which are the subject of this report fall within all four groups, but in order to facilitate the Chamber's consideration, an Index is provided as Annex 5 which divides the applications according to their groups (groups A to D) based on the geographical area of the alleged events, as in previous reports.¹⁶

B. *Prima facie* assessments in relation to rule 85

8. As requested by the Chamber, the Registry has, for each application covered by this report, undertaken a *prima facie* assessment of compliance with the requirements of rule 85. The reports, which constitute Annex 3, show the

¹⁴ Notably the Registry's Report on applications to participate in the proceedings, ICC-01/05-01/08-653-Conf-Exp, paragraph 8; Second report to Trial Chamber III on applications to participate in the proceedings, ICC-01/05-01/08-796-Conf-Exp, paragraphs 6 to 8, and annex 2 to that report (ICC-01/05-01/08-796-Conf-Exp-Anx2).

¹⁵ As set out in Public Redacted Annex B to the "Prosecution's Submission of the Document Containing the Charges as Confirmed by the Pre-Trial Chamber filed in accordance with the Chamber's Order of 7 October 2009", ICC-01/05-01/08-593, dated 4 November 2009.

¹⁶ The Registry notes that as regards Group D, Moungoumba and the surrounding area, some applications have been included in this group which are close to the river to the South of Bangui between Bangui and Moungoumba even though they may be closer to Bangui than to Moungoumba. This is due to the similarity in the patterns of events alleged by these applicants.

individual results of these assessments, and the reasons for them (including whether the requirements of rule 85 are demonstrated and any legal issues which are apparent), as well as summaries of the applications.

9. In relation to each application, the Registry indicates either that:
 - (a) The application appears *prima facie* to comply with the requirements of rule 85; or
 - (b) Unclear: the Registry is not in a position to make a *prima facie* assessment without further guidance from the Chamber on specific matters that are indicated.

C. Memorandum from the Office of Public Counsel for Victims

10. The Registry has received one memorandum from the OPCV which may be of relevance to the Chamber in determining the applications for victims' status which are covered by this report and/or which will be covered by subsequent reports of the Registry. The Registry wishes to draw to the Chamber's attention that it has reviewed and taken into consideration the points raised by the OPCV in this memorandum when reviewing the applications concerned. However the Registry has conducted its own analysis and made its own assessments of the applications. The Registry's *prima facie* assessments as reflected in the reports comprising Annex 3 therefore take into account, but are not determined by, the views of the OPCV as set out in the reports constituting Annex 3 to the present report.

D. Protection

11. The Registry notes that the 269 applications which are the subject of this report have been transmitted in redacted form to the parties and the respective legal representative in compliance with the Chamber's order that applications for participation in the proceedings received by the Registry be transmitted to the parties in redacted form on an ongoing basis as and when

they are prepared,¹⁷ and in accordance with the guidelines on redactions provided in the 22 February 2010 Decision. The redacted applications have also been notified to the legal representatives of the respective applicants in compliance with the Chamber's order conveyed by email on 26 August 2010 that in relation to all future applications the Registry should systematically notify the respective legal representatives of victims of the redacted versions of applications as notified to the parties.¹⁸

12. At this time no further measures of protection appear to be necessary.
