A. Background and content of this report

1. The present report covers 212 applications to participate in the proceedings.
2. One application covered in this report has been filed previously,⁹ and was rejected by the Chamber.¹⁰ Following the Chamber's instructions in its 22 February 2010 Decision,¹¹ the Registry is transmitting this application for reconsideration by the Chamber in light of information received subsequent to the original decision.
3. The 212 applications have been filed with the Chamber on 30 September 2011. The present report serves to transmit to the Chamber the reports which are required by regulation 86(5) of the Regulations of the Court as further elaborated by the memorandum of the Presiding Judge dated 16 September 2010.

⁸ Paragraph 33 of the 22 February 2010 Decision.

⁹ a/2166/10.

¹⁰ ICC-01/05-01/08-1017.

¹¹ ICC-01/05-01/08-699, paragraph 20.

4. All the applications that are the subject of this report appear to the Registry to be linked to the charges in the case of *The Prosecutor v. Jean-Pierre Bemba Gombo*.¹²
5. In accordance with the 22 February 2010 Decision,¹³ the Registry is only filing the applications that appear to be complete, as assessed by reference to the relevant legal texts and jurisprudence.
6. This report provides an overview of the applications transmitted, while the following documents are provided as annexes:
 - **Annex 1:** An explanation of the contents of the individual assessment reports which constitute Annex 3;
 - **Annex 2:** Map showing the geographical areas used to group applications;
 - **Annex 3:** Reports under regulation 86(5), providing the Registry's assessment of each application (as explained in Annex 1);
 - **Annex 4:** Index showing applications filed with this report by geographical area A to D.
7. As described in its previous reports,¹⁴ the Registry has categorized applications according to the geographical locations at which crimes are alleged by the applicants to have been committed.¹⁵ These groupings are explained in Annex 1 and shown on the map comprising Annex 2. The applications which are the subject of this report fall within all four groups, but in order to facilitate the Chamber's consideration, an Index is provided as

¹² As determined by reference to Public Redacted Annex B to the "Prosecution's Submission of the Document Containing the Charges as Confirmed by the Pre-Trial Chamber filed in accordance with the Chamber's Order of 7 October 2009", ICC-01/05-01/08-593, dated 4 November 2009.

¹³ ICC-01/05-01/08-699, paragraph 35.

¹⁴ Notably the Registry's Report on applications to participate in the proceedings, ICC-01/05-01/08-653-Conf-Exp, paragraph 8; Second report to Trial Chamber III on applications to participate in the proceedings, ICC-01/05-01/08-796-Conf-Exp, paragraphs 6 to 8, and annex 2 to that report (ICC-01/05-01/08-796-Conf-Exp-Anx2).

¹⁵ As set out in Public Redacted Annex B to the "Prosecution's Submission of the Document Containing the Charges as Confirmed by the Pre-Trial Chamber filed in accordance with the Chamber's Order of 7 October 2009", ICC-01/05-01/08-593, dated 4 November 2009.

Annex 4 which divides the applications according to their groups (groups A to D) based on the geographical area of the alleged events.¹⁶ The Registry notes that a fifth group of victims, group E, is composed of dual status victims.¹⁷ The Registry would like to draw to the Chamber's attention the fact that it is not aware, when processing the applications, whether any applicants would fall within this category.

B. *Prima facie* assessments in relation to rule 85

8. As requested by the Chamber, the Registry has, for each application covered by this report, undertaken a *prima facie* assessment of compliance with the requirements of rule 85. The reports, which constitute Annex 3, show the individual results of these assessments, and the reasons for them (including whether the requirements of rule 85 are demonstrated and any legal issues which are apparent), as well as summaries of the applications.
9. In relation to each application, the Registry indicates either that:
 - (a) The application appears *prima facie* to comply with the requirements of rule 85; or
 - (b) Unclear: the Registry is not in a position to make a *prima facie* assessment without further guidance from the Chamber on specific matters that are indicated.

C. Protection

10. The Registry notes that the 212 applications which are the subject of this report have been transmitted in redacted form to the parties and the respective legal representative in compliance with the Chamber's order.

¹⁶ The Registry notes that as regards Group D, Mougoumba and the surrounding area, some applications have been included in this group which are close to the river to the South of Bangui between Bangui and Mougoumba even though they may be closer to Bangui than to Mougoumba. This is due to the similarity in the patterns of events alleged by these applicants.

¹⁷ ICC-01/05-01/08-1012-Corr.

Such order instructs the Registry that applications for participation in the proceedings received by the Registry be transmitted to the parties in redacted form on an ongoing basis as and when they are prepared,¹⁸ and in accordance with the guidelines on redactions provided in the 22 February 2010 Decision. The redacted applications have also been notified to the legal representatives of the respective applicants in compliance with the Chamber's order conveyed by email on 26 August 2010 that in relation to all future applications the Registry should systematically notify the respective legal representatives of the applicants of the redacted versions of applications as notified to the parties.¹⁹

11. At this time no further measures of protection appear to be necessary.
