Other

1. The Prosecution hereby seeks leave to exceed Regulation 37(1) of the Regulation of the Court's 20-page limit in its opposition to the Defence application for a permanent stay of proceedings ("Application").¹
2. The Prosecution requests leave to file a response not to exceed 50 pages, which is the same page limit granted to the Defence.² While the ultimate legal issue for the Chamber to resolve is straightforward, the Prosecution considers it important to address the detailed factual allegations raised in the Application. The additional pages will enable the Prosecution to do this.
