The Registrar of the International Criminal Court (the “Court”);

NOTING Pre-Trial Chamber II’s Decision notified on 11 November 2010, ordering the Victims Participation and Reparations Section (the “VPRS”) to report periodically every three months on the applications received in the situation in the Central African Republic and the progress made by the VPRS on their assessment under rule 85 of the Rules of Procedure and Evidence (the “Decision”);¹

NOTING the Registry’s twelfth periodic report on applications received in the situation in the Central African Republic (the “Situation”), notified on 11 November 2013 (the “Last Report of 2013”);²

NOTING articles 68(1) and (3) of the Rome Statute, rules 16(1) and 89(1) of the Rules of Procedure and Evidence and regulation 86 of the Regulations of the Court;

CONSIDERING that at the current stage no judicial proceedings in which the Chamber has determined that victims may participate have been initiated relating to the Situation;

CONSIDERING that since the Last Report of 2013, there has been no new development regarding the status of participation applications received in relation to the Situation;

CONSIDERING that the previous periodic reports were filed by the Registry as confidential and *ex parte* annexes of a public filing and that, unless ordered to do otherwise by the Chamber, the Registry proposes to continue to follow this practice as it concerns an internal communication between the Chamber and the Registry and in order to enable the inclusion in such reports of identifying information or information relating to the protection of victims whenever necessary;
