Respectfully submitted this 21 April 2016,
At The Hague, The Netherlands

¹ Email of Trial Chamber VII to All Parties, “Notice of closing of defence evidence presentation”, 18 April 2016, 12:21 (“the defence teams are directed to file a comparable notice on whether their presentation of evidence is closed subject to the resolution of the outstanding evidence applications. Any such notice may be filed jointly and must be filed by 16:00 on Thursday, 21 April 2016.”)

² The Defence notes that there are two outstanding requests for information, one pending with The Netherlands and one with the Registry. The Defence, if any information of relevance is produced, will file an appropriate application in respect of any such evidence. This does not constitute any qualification or reservation in respect of the closure of evidence, but merely a notice that future applications may be made in respect of these two outstanding matters.
