#### **A. Background and content of this report**

1. The present report covers 350 applications to participate in the proceedings.
2. Nine applications<sup>11</sup> covered in this report have been filed previously,<sup>12</sup> and were rejected by the Chamber.<sup>13</sup> Following the Chamber's instructions in its 22 February 2010 Decision,<sup>14</sup> the Registry is transmitting these applications for reconsideration by the Chamber in light of information received subsequently to the relevant decision.

<sup>12</sup> ICC-01/05-01/08-1381-Conf-Exp-Anx396 and ICC-01/05-01/08-1381-Conf-Anx396-Red; ICC-01/05-01/08-1381-Conf-Exp-Anx180 and ICC-01/05-01/08-1381-Conf-Anx180-Red; ICC-01/05-01/08-1381-Conf-Exp-Anx197 and ICC-01/05-01/08-1381-Conf-Anx197-Red; ICC-01/05-01/08-1381-Conf-Exp-Anx236 and ICC-01/05-01/08-1381-Conf-Anx236-Red; ICC-01/05-01/08-1604-Conf-Exp-Anx267 and ICC-01/05-01/08-1604-Conf-Anx267-Red; ICC-01/05-01/08-932-Conf-Exp-Anx86 and ICC-01/05-01/08-932-Conf-Anx86-Red; ICC-01/05-01/08-981-Conf-Exp-Anx9 and ICC-01/05-01/08-981-Conf-Anx9-Red; ICC-01/05-01/08-981-Conf-Exp-Anx16 and ICC-01/05-01/08-981-Conf-Anx16-Red; ICC-01/05-01/08-1381-Conf-Exp-Anx339 and ICC-01/05-01/08-1381-Conf-Anx339-Red.

<sup>13</sup> ICC-01/05-01/08-1017; ICC-01/05-01/08-1091; ICC-01/05-01/08-1590 and ICC-01/05-01/08-1862. Application [REDACTED] was rejected because further information regarding the alleged perpetrators was not provided to the Chamber. Applications [REDACTED] were rejected because the applicants only referred to the burning or destruction of their property and the Chamber recalled that applications for participation that only describe destruction of property without any indication that the property was looted before being destroyed are to be rejected. Application [REDACTED] was denied participatory status because the Chamber considered that certain information, in particular the applicant's young age corroborated with the material harm alleged, are undermining the credibility of the applicant. Applications [REDACTED] were rejected because the only documents attached to the application forms were vaccination cards, a type of document that the Chamber considered not to sufficiently establish the identity of the applicant. Application [REDACTED] was rejected because the person acting on behalf of the applicant did not submit any document to establish his identity.

<sup>14</sup> ICC-01/05-01/08-699, paragraph 20.

3. The 350 applications have been filed with the Chamber on 27 January 2012. The present report serves to transmit to the Chamber the reports which are required by regulation 86(5) of the Regulations of the Court as further elaborated by the memorandum of the Presiding Judge dated 16 September 2010.
4. All the applications that are the subject of this report appear to the Registry to be linked to the charges in the case of *The Prosecutor v. Jean-Pierre Bemba Gombo*.<sup>15</sup>
5. In accordance with the 22 February 2010 Decision,<sup>16</sup> the Registry is only filing the applications that appear to be complete, as assessed by reference to the relevant legal texts and jurisprudence.
6. The Registry is aware of the possibility that an applicant may introduce more than one application for participation in the proceedings, and that such instances are normally discovered and dealt with in the usual course of processing by the Registry. The Registry would like to draw to the Chamber's attention the fact that, due to the large number of applications for participation in the proceedings being received from the field and processed within short delays at this time, no automatic check for duplicate applications is currently being performed prior to the filing of applications, so the Registry is not in a position to be certain that there are no applications in this category. Nevertheless, the Registry would like to inform the Chamber that checks for duplicates will be carried out at a later stage and should the Registry discover such applications at any point, it will bring the situation to the Chamber's attention without delay and withdraw registration numbers as appropriate.

<sup>15</sup> As determined by reference to Public Redacted Annex B to the "Prosecution's Submission of the Document Containing the Charges as Confirmed by the Pre-Trial Chamber filed in accordance with the Chamber's Order of 7 October 2009", ICC-01/05-01/08-593, dated 4 November 2009 ("Document Containing the Charges").

<sup>16</sup> ICC-01/05-01/08-699, para. 35.

7. This report provides an overview of the applications transmitted, while the following documents are provided as annexes:

- **Annex 1:** An explanation of the contents of the individual assessment reports which constitute Annex 3;
- **Annex 2:** Map showing the geographical areas used to group applications;
- **Annex 3:** Reports under regulation 86(5) of the Regulations of the Court, providing the Registry's assessment of each application (as explained in Annex 1);
- **Annex 4:** Memoranda sent by the Office of Public Counsel for Victims (OPCV) to the VPRS in relation to individual applications;
- **Annex 5:** Index showing applications filed with this report by geographical area A to D.

8. As described in its previous reports,<sup>17</sup> the Registry has categorized applications according to the geographical locations at which crimes are alleged by the applicants to have been committed.<sup>18</sup> These groupings are explained in Annex 1 and shown on the map in Annex 2. The applications which are the subject of this report fall within all four groups, but in order to facilitate the Chamber's consideration, an Index is provided as Annex 5. This annex divides the applications according to their groups (groups A to D) based on the geographical area of the alleged events.<sup>19</sup> The Registry draws to the Chamber's attention the fact that it is not aware, when processing the applications, whether any applicants would fall within

<sup>17</sup> Notably the Registry's Report on applications to participate in the proceedings (ICC-01/05-01/08-653-Conf-Exp, para. 8); Second report to Trial Chamber III on applications to participate in the proceedings (ICC-01/05-01/08-796-Conf-Exp, paras. 6 to 8) and annex 2 to that report (ICC-01/05-01/08-796-Conf-Exp-Anx2).

<sup>18</sup> As set out in the Document Containing the Charges (see *supra* footnote 15).

<sup>19</sup> The Registry notes that as regards Group D, Moungoumba and the surrounding area, some applications have been included in this group even though it is not clear whether in fact the alleged incident took place closer to Bangui or to the area of Moungoumba, which is situated to the South of Bangui. This is due to the similarity in the patterns of events alleged by these applicants.

group E (dual status victims).<sup>20</sup> As a consequence, none of the applications has been allocated to this group.

## **B. *Prima facie* assessments in relation to rule 85**

9. As requested by the Chamber, the Registry has, for each application covered by this report, undertaken a *prima facie* assessment of compliance with the requirements of rule 85 of the Rules of Procedure and Evidence. The reports, which constitute Annex 3, show the individual results of these assessments, and the reasons for them (including whether the requirements of rule 85 of the Rules of Procedure and Evidence are fulfilled and any legal issues which are apparent), as well as summaries of the applications.
10. In relation to each application, the Registry indicates either that:
  - (a) The application appears *prima facie* to comply with the requirements of rule 85; or
  - (b) The application is unclear: the Registry is not in a position to make a *prima facie* assessment without further guidance from the Chamber on specific matters that are indicated.

## **C. Protection**

11. The Registry notes that the 350 applications which are the subject of this report have been transmitted in redacted form to the parties and the respective legal representative in compliance with the Chamber's order of 16 September 2010,<sup>21</sup> and in accordance with the guidelines on redactions provided in the 22 February 2010 Decision.
