I. Introduction

1. The Registry hereby submits the present report and its annexes 1 to 5, 7 to 12, 14 to 20, and 22 to 27 consisting of email decisions (“Quarterly Report”) pursuant to the “Third decision on matters related to the conduct of proceedings” (“Third Decision”),¹ issued on 4 September 2020 by Trial Chamber X (“Chamber”).

II. Procedural History

2. On 4 September 2020, the Chamber issued the Third Decision in which it stated that: “[...] *to expedite decisions on minor procedural matters or in order to react to urgent circumstances, occasional rulings from the Chamber and the Single Judge have been issued by way of email sent to the parties and participants. In order to ensure that the principles of fairness and publicity are respected, the Chamber finds it appropriate to adopt a system whereby these email decisions are systematically put on the record of the case.*”²
3. The Chamber further directed the Registry to file all email decisions on the case record in Quarterly Reports starting on 1 October 2020³ and provided criteria for the application of redactions to these email decisions.⁴
4. The Chamber also clarified in the Third Decision that emails related to the submission of evidence should not be part of the Quarterly Reports as these emails are put on the record by way of a separate procedure.⁵

⁵ See *supra* note 1, footnote 3 of the Decision.

III. Applicable Law

5. For the purpose of the present submission, the Registry has considered articles 64(7) and 67(1) of the Rome Statute and rule 140 of the Rules of Procedure and Evidence.

IV. Submission

6. In order to enable the parties and participants to suggest redactions, the Registry followed the procedure that was adopted for the purposes of the Quarterly Report. Therefore, on 14 June 2021 the Registry initiated the consultation process with the parties and participants requesting them to provide the agreed redacted annexes by Monday 28 June 2021 and further recalling that any disagreements or objections on specific redactions should be directly addressed to the Chamber with the Court Officers in copy.⁶
7. On 23 July 2021, the Prosecution requested the retention of the initial confidential classification of Annexes 6 and 13 (“Request”).⁷
8. On 24 August 2021, the Single Judge instructed the Registry to proceed with the filing of the Quarterly Report, submitting in the public record of the case the redacted versions of the email decisions as proposed by the Registry with any further uncontested redactions suggested by the parties and participants.⁸ In addition, the Single Judge provided complementary guidance on additional redactions in relation to certain email decisions, granted the Prosecution’s
