## I. Introduction

1. For the purpose of organizing victim participation at the trial stage in the case of the *Prosecutor v. Al Hassan Ag Abdoul Aziz Ag Mohamed Ag Mahmoud* (“Case”), Trial Chamber X (“Chamber”) ruled in its ‘Decision on the procedure for the admission of victims to participate in proceedings for the purposes of trial’ (“12 March 2020 Decision”) to continue the “ABC approach” for victim admission as applied at the pre-trial stage in the Case, with minor modifications.<sup>1</sup> Following this procedure, the Registry classifies victim applicants into three categories: (a) applicants who clearly qualify as victims in the Case (“Group A”); (b) applicants who clearly do not qualify as victims (“Group B”); and (c) applicants for whom the Registry could not make a clear determination for any reason (“Group C”).<sup>2</sup> The Chamber also ordered the Registry to submit Group A application forms to the Chamber no later than 15 days before the start of trial.<sup>3</sup>
2. On 12 June 2020, the Chamber decided to extend the deadline set by the 12 March 2020 Decision for the final transmission of newly collected victim applications to the end of the Prosecution case on the basis of the current COVID-19 pandemic (“12 June 2020 Decision”). The Chamber instructed the Registry to file any newly collected applications on a rolling basis in periodic intervals; as was previously the case, the Registry’s final corresponding reports must be notified within the same deadline.<sup>4</sup>
