Subject: Decision on Prosecution Request ICC-01/12-01/18-1209-Conf-Exp

Dear colleagues,
Dear counsel,

The Single Judge notes the Prosecution's request ([filing 1209](#)), seeking an extension of deadline until 28 February 2021 to file any Rule 68(2)(b) application for P-0553 and P-0574 (Request). The Single Judge considers that based on the witnesses' particular circumstances, the Prosecution has shown good cause for the sought delay. Moreover, the Single Judge notes that the no prejudice is caused to the accused, and that in its response [REDACTED], the Defence does not oppose the sought extension.

The Single Judge has made this decision without waiting for any observations from the VWU which had been requested by 21 January, which the Single Judge considered were no longer required.

The Single Judge therefore grants the Request.
