Subject: Ngaissona Defence Request for Leave to Add two documents to the List of Material - P-1719

Dear Trial Chamber V,

The Defence for Mr Patrice-Edouard Ngaissona ("Defence") respectfully requests leave to add two documents to its List of Materials to be used during the examination of witness P-1719. Documents CAR-D30-0005-0021 and CAR-D30-0005-0022 are screenshots of the witness' twitter account. The Defence became aware of the existence of the witness' twitter account on Wednesday and disclosed the documents to the parties and participants following the hearing. The inclusion of the documents is not prejudicial as they contain very limited information and the parties and participants have sufficient time to adapt their questioning if need be before Monday.

The Defence submits that granting its limited request will contribute to the Chamber's truth seeking mandate, while causing limited prejudice to the parties and participants, if any.

The Defence provides in attachment the amended list, should the Chamber grant the Request.

Respectfully Yours,

[REDACTED]
Case manager – on behalf of the Ngaissona Defence team
