Subject: Decision on Registry Notification of a [REDACTED] regarding a [REDACTED] to Mr Ngaïssona

Dear colleagues of the Registry,

The Chamber takes note of the Registry's request to share 'with both the Defence and [REDACTED] [REDACTED]' the transcript of a non-privileged telephone call between Mr Ngaïssona and a [REDACTED] on [REDACTED] (the 'Request') (see email from the Registry to the Chamber, 26 July 2022, at 14:29).

According to the Registry, this transcript contains information about a [REDACTED] of Mr Ngaïssona which will take place shortly and in relation to which the Registry has identified a number of [REDACTED].

In light of the above and noting the imminence of the [REDACTED], the Chamber considers that exceptional circumstances exist warranting the granting of the Request prior to the detained person being informed of it pursuant to Regulation 92(4) of the Regulations of the Court. The Request is therefore granted.

In accordance with this provision, the Chamber further orders that (i) the Registry share the Request with the Ngaïssona Defence as soon as possible together with the transcript in question, as well as with the rest of participants (with the necessary redactions); and (ii) the Ngaïssona Defence provide its views, if any, within one calendar day of receiving the Request and the transcript.

The Chamber invites the Registry to inform the [REDACTED]
[REDACTED].

Kind regards, TC V
