Dear colleagues of the Registry,

Subject: Registry request to maintain current classification of email decisions

Dear Trial Chamber V,

On behalf of the Registry, in accordance with the “Initial Directions on the Conduct of the Proceedings” (ICC-01/14-01/18-631), the Registry is currently preparing its next report of Email Decisions for the period of May to July 2022.

The Registry hereby kindly requests the Chamber to maintain the current classification (confidential *ex parte* to the Registry) of the attached annexes (email decisions) dated 21 and 22 July 2022 as these annexes contain confidential *ex parte* information not yet available to the parties and are related to an ongoing confidential process where the Chamber’s decision is not yet issued (see filing ICC-01/14-01/18-1536-Conf-Red).

The Registry remains available to the Chamber should further information be necessary.

Kind regards,
