Subject: Composition of the Prosecution team

Dear Prosecution,

It has come to the Chamber's attention that a former staff member of the Registry, who previously acted as a court officer in the present case, is now a member of the Prosecution's team for this case. The Chamber also understands that the Defence has not been informed of this.

The Chamber orders the Prosecution to inform the Defence of any relevant details regarding this staff member's employment by no later than 4pm on Tuesday 27th September. If the Defence has any objections regarding the involvement of this staff member in the Prosecution team, it is ordered to file them no later than 4pm on Friday 30th September.

In the interim, the Chamber orders the Prosecution to ensure that the staff member in question abstains from any involvement in the case pending a final determination by the Chamber.

Kind regards,
Trial Chamber VI
