Dear Colleagues,

In respect of ICC-02/04-01/15-1411-Conf-Exp, pursuant to Regulation 23*bis* of the Regulations of the Court, the Chamber hereby instructs the Registry to re-classify the record as 'confidential'. However, should the Defence consider that some very limited redactions are necessary, it should file a confidential redacted version of the filing by 16:00 on 17 January. If the Defence files a confidential redacted version, the Registry need not reclassify the document.

With regard to the same filing (ICC-02/04-01/15-1411-Conf-Exp), the Chamber hereby invites the Registry to file observations by 23 January 2019.

Kind regards,
Trial Chamber IX
