Date: 26 November 2007

Dear Mrs. Kiggundu,

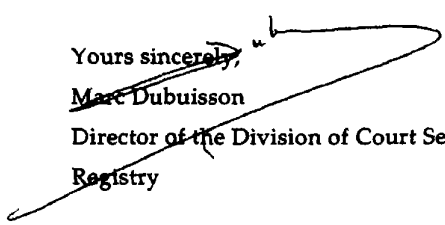

I would like to hereby refer to a fruitful discussion dated 22 November 2007 which I had on the phone with Her Excellency, the Ambassador Myriam Blaak. Further this phone call, I acknowledge her proposal regarding the attendance of the Minister of Justice or another representative of the Republic of Uganda to a Hearing before Pre Trial Chamber II in order to present a report on the execution of the arrest warrants against Joseph Kony, Vincent Otti, Okot Odhiambo and Dominic Ongwen.

The Pre Trial Chamber scheduled a hearing on 11 December 2007. However, I am fully aware that you may not be in a position to submit your report on time due *inter alia* to the organisation of the commonwealth Heads of Government meeting in Kampala.

Please note that, to this effect, the Registry, when filing its report, will ask for a one week postponement of the hearing in order for the Republic of Uganda to be able to appear in the best conditions.

Should you have any questions, please do not hesitate to contact me.

Yours sincerely,

Marc Dubuisson

Director of the Division of Court Services
