[ICC] RESTRICTED

Dear Trial Chamber VI,

Dear colleagues,

Upon searching his files after the adjournment of today's hearing, witness P0481 informed us that he has the decree confirming his work [REDACTED]. However, this is not the decree confirming his [REDACTED] as indicated on the transcript. I will make a copy to be provided to you of the decree that P-0481 does have with him at present.

For the decree discussed during today's hearing and originally requested (see T-073 ENG RT 35:23-36:22 and 67:3-9), the witness would have to make an official request to receive the document from the national archives. He informed us that he could request one of his brothers to raise the request for him.

Kind regards,
