Dear Defence,

With reference to your request below which was notified this morning (ICC-01/14-01/21-776), the Chamber considers that it is premature, as it appears that you have not yet requested the Prosecution for these transcripts. The Chamber is of the view that it is for the Prosecution to make a determination as to whether P-0119's transcripts from the *Bemba* trial are subject to rule 77 of the Rules and that the Chamber should only be involved in case there is a dispute in this regard.

To the extent that the Chamber may be required to authorise the disclosure of the transcripts to the Defence of Mr Said, it is for the disclosing party to make this request after it has been determined that they are indeed disclosable.

The Chamber therefore suggests that you approach the Prosecution with your request.

Kind regards,
Trial Chamber VI
