Subject: ICC-01/14-01/21-791-SECRET - Redactions

Dear Parties and participants,

The Chamber has taken note of the filing of the redacted version of Dr Nollet's report (ICC-01/14-01/21-791-SECRET). The Chamber has also taken note of the Defence's proposed redaction and its request to keep annex 2 (ICC-01/14-01/21-789-SECRET-Exp-AnxII) *ex parte*.

The Chamber has considered the Defence's justifications and approves the proposed redaction and grants the request to keep annex 2 *ex parte*. In this regard, the Chamber finds that the redacted information does not inhibit the Prosecution and CLRV from making meaningful submissions, nor does it relate to facts, conclusions or recommendations which relate to Mr Said's physical ability to participate in a regular sitting schedule. Furthermore, in respect of ICC-01/14-01/21-789-SECRET-Exp-AnxII, [REDACTED] the Chamber agrees with the Defence that it contains sensitive personal information which does not need to be shared with the Prosecution and CLRV. In any event, as noted by the Defence, the results [REDACTED] are contained within the report itself.

Kind regards,
Trial Chamber VI
