Subject: Order setting date for the continuation of D30-4504's testimony

Dear all,

The Single Judge notes that D30-4504, who started testifying on 6 May 2024, did not reappear before the Chamber yesterday, as scheduled. He further takes note of the witness's communication to the VWU that he has 'personal issues which he needs to attend', and which preclude him to testify before the end of the week (see email from the Court Officer to the Chamber, 7 May 2024, at 17:23).

In order to provide clarity about the schedule for the remaining evidentiary block, the Single Judge considers it prudent to set a date for the continuation of D30-4504's testimony. Bearing in mind his obligation to safeguard the expeditiousness of the proceedings, the set dates for D29-5013's testimony, as well as the need to ensure witness D30-4504's availability, the Single Judge orders the following:

- The hearings will resume on Monday, 13 May 2024, with the testimony of D29-5013, as scheduled. The witness's testimony is to be completed by 16 May 2024.
- D30-4504's testimony will be continued on 17 May 2024 at 09:30 and completed that day. The VWU is further instructed to communicate this date to the witness, remind him of the importance of completing his testimony, as well as the possible sanctions for misconduct before the Court under Article 71 of the Rome Statute.

Kind regards, TC V
