

Corrigendum:

Pursuant to the e-mail exchange with the CMS dated 08 October 2024, the Representative of the State of Israel submitted a corrected version of its "Reply to the 'Prosecution Response to Israel's Request for Access to the Application for Arrest Warrants for Benjamin Netanyahu and Yoav Gallant' (ICC-01/18-248-SECRET-Exp)," amending the name of the Situation into "Situation in the State of Palestine" instead of "Situation in Palestine".

In footnote 3, an explanatory note has been added to reflect the abovementioned change: "In addition, the caption "Situation in the State of Palestine" on the cover page reflects the name assigned to this Situation by the Court, and is without prejudice to Israel's position that "Palestine" is not a State."
