

EXPLANATORY NOTE

Explanation of Corrigendum to ICC-02/05-01/20-1192

1. On 17 October 2024, the Registry's Victim Participation and Reparations Section ("VPRS") filed its Twelfth Registry Transmission of Group A Applications for Victim Participation in Trial Proceedings ("Transmission")¹ together with an assessment report thereon ("Report")².
2. On 18 October 2024, the VPRS realised that it erroneously included in the Transmission and Report application a/10188/22, which it had assessed at this stage as falling outside the scope of the case of *The Prosecutor v. Ali Muhammad Ali Abd-Al Rahman* ('Ali Kushayb') or as requiring additional information and should thus not have been included in the present filing.
3. The number of applications covered by the Report has now been corrected (128 applications) in paragraphs 3 (on the first line) and 15 (on the second line).
