Subject: ICC-02/04-01/05 – Single Judge Order requesting the parties and
participants to submit observations on the date of the confirmation of the
charges hearing – public

Dear Counsel,

The Single Judge notes the ‘Kony Defence Observations on the Decisions and Registry Report concerning the request to hold a confirmation of charges hearing in the Kony case in the suspect’s absence’ (filing no. 517), and in particular its paragraphs 40 through 43, submitting that the date for confirmation, as set by Pre-Trial Chamber II in its ‘Second Decision on the Prosecution’s request to hold a confirmation of charges hearing in the Kony case in the suspect’s absence’ (filing no. 481, dated 4 March 2024), ‘is now obsolete’, for reasons including the number of issues still to be determined by the Chamber before that hearing can actually happen and the amount of disclosure expected in light of the information provided by the Prosecution.

The Single Judge finds it necessary to order the parties and participants to submit their observations on, and proposals for, the date of the hearing, by way of a public filing of maximum three pages and by no later than **Friday 6 September 2024**.

Thank you and kind regards.

On behalf of Judge Alexis-Windsor, Single Judge
