Subject: RE: ICC-02/04-01/05-459-SECRET-Exp: instruction to provide an amended report by 26 April

Dear colleagues,

The Chamber recalls that the Registry was first instructed to provide the requested information on 7 February 2023, following which a further instruction had to be issued on 6 April. With the now requested extension, the time the Registry requires to provide the information will amount to three months. As the Chamber must receive the information to be in a position to address the Prosecution's request, it can only grant the request for an extension. The Chamber stresses, however, that the report to be submitted no later than 8 May 2023 must be complete and no further extension will be granted.

Best regards,
 on behalf of Pre-Trial Chamber II,
 [REDACTED]

[ICC] RESTRICTED

Dear colleagues of Pre-Trial Chamber II,

On behalf of the Registry I bring your attention to the Registry's request below for the Chamber's kind consideration:

The Registry has noted the deadline of 26 April 2023 to file a new report to the Chamber, as instructed by the Chamber on 6 April 2023. In order to provide an exhaustive and detailed report of all the activities conducted by the Registry since 2005 to notify Joseph Kony of the charges against him and

secure his appearance before the Court, and considering the challenges met in retrieving numerous records from different sources from this period in time, the Registry respectfully requests an extension of the deadline until 8th of May 2023.

The Registry remains available to the Chamber should further explanation be required.

Kind regards,

██████
