Subject: Kony case - Order relating to the reclassification of filings and their annexes

[ICC] RESTRICTED

Dear Registry,

The Single Judge, noting that Annexes I and II to the 'Registry's Report on the implementation of the "Second decision on the Prosecution's request to hold a confirmation of charges hearing in the Kony case in the suspect's absence" dated 4 March 2024' (filing ICC-02/04/01/05-491, dated 28 March 2024) are classified as, respectively, confidential and under seal ex parte Registry and Prosecutor, orders the Registry to either indicate that they can be reclassified as public or, if the Registry considers that redactions are required, to submit a request to apply redactions that are strictly necessary together with reasons for each proposed redaction, by no later than **Friday 24 May 2024**.

The Registry is also instructed to review the other reports submitted in these proceedings to the same effect, by no later than **Friday 21 June 2024**.

The Single Judge recalls that, as a general principle, proceedings are public and exceptions to that principle have to be strictly justified. Accordingly, in line with well-established directions applying to confirmation proceedings, the parties and participants are expected to always expeditiously make available public redacted versions of any filings not originally classified as public.

Thank you and kind regards.

On behalf of Judge Alexis-Windsor, Single Judge
