Dear Counsel,
Dear colleagues,

The Single Judge has noted the 'Prosecution's Response to Defence Request for Reclassification of two Registry Reports (ICC-02/04-01/05-509)' (filing no. 510), and in particular the Prosecution's request to be notified of 'any Registry response' related to the proposals for redactions in the version to be made available to the defence'. The Registry's proposals were submitted ex parte to the Chamber by the Registry by email on 16 July 2024, at 18:11.

In light of the fact that matters covered by the reports are a shared responsibility between the Registry and the Office of the Prosecutor, and of the nature of the information, the Single Judge is satisfied that the Prosecution should be given an opportunity to provide their views on the proposed redactions. These will be forwarded by the Chamber to the Prosecution shortly on an ex parte basis by email.

In light of the relevance of the matters covered by the reports to the forthcoming observations due by the Defence, the Prosecution is instructed to provide their views by **Monday 29 July at 16 hours**.

Thank you and kind regards.

On behalf of Judge Alexis-Windsor, Single Judge
