Communication
Subject: Schedule of Witness Appearance

Dear parties and participants,

The Chamber understands that there may be reasons that would prevent P-0834 from travelling to The Hague to testify as scheduled.

If this is the case, the Chamber expects the Prosecution to call P-2161 instead, who is listed as the alternative witness for P-0834.

The Prosecution must inform the Chamber, the Registry, as well as the Defence and the Common Legal Representative as soon as possible whether or not P-0834 will testify (in person or via AVL) or whether P-2161 will be called instead. In the latter case, the Prosecution must also indicate when P-2161 will start his testimony. The Chamber expects his testimony to be completed by the end of next week and instructs the Prosecution to adjust the time for examination of P-2161 accordingly.

Kind regards,
Trial Chamber VI
