Subject: Information regarding Question 14

[ICC] RESTRICTED

Dear Trial Chamber I,
Dear colleagues,

For the convenience of the Chamber and the Parties, in relation to Question 14, the Prosecution provides the following information regarding material facts it concedes have not been established by the evidence adduced at trial (with references to the Confirmation Decision):

- ABD-AL-RAHMAN transported three detained Fur males from Garsila to Deleig, two of whom he had ordered be arrested in the previous days, (rather than transported four detained Fur males from Garsila, three of whom he had arrested or ordered the arrest of) (paras. 100, 124 of CD).
- ABD-AL-RAHMAN struck two Fur male detainees to the head with a stick or axe-like object (rather than three Fur male detainees) (paras. 109, 124, 126 of CD).
- Four of the detained Fur males survived (rather than twelve) (para. 113-114 of CD).
- It is no longer alleged that Militia/Janjaweed and/or GoS Forces whipped, threatened to kill, and beat at least one male inside the Deleig police station (para. 104 of CD).

Thank you.

Best regards,

Julian
