If you look at the (same) sky, and you remember your home, but you have no right to go back home; if you see the earth but you have no right to walk on it as you need, you have no right to farm it as you need, you have not right to build a home on it as you need.

Hawa from Kodoom

Locations of Main Camps in Chad and Darfur

"This camp is in ruins—non-functional, flooded, and starving. Death is close to all of us...With no organizations able to reach us due to the rains and floods, we can now only ask God to help us."

Different Location, Same Floods
