Dear Ms Makwaia,

Further to your request by telephone for guidance as to when the Chamber considers the oral testimony of Prosecution witnesses was concluded, the Presiding Judge considers that the deadline for filing the notice of the conclusion of the presentation of evidence starts running as of 8 November 2024, date when the Prosecution informed the Chamber that P-0975 is unwilling to testify in the trial proceedings (ICC-01/14-01/21-892-Conf).

Kind regards,
Trial Chamber VI
