Subject: Order to make submissions regarding contact restrictions

Dear parties and participants,

The Chamber has taken note of the conclusion of the Prosecution's presentation of evidence.

The Chamber further recalls that it ordered the VWU to conduct a fresh security assessment in relation to the Defence's request to relax contact restrictions in relation to particular individuals (ICC-01/14-01/21-859). The Defence was instructed to provide the VWU with specific information and documentation in this regard. As far as the Chamber is aware, this information has not yet been provided and the VWU has thus not been able to update its security assessment.

In light of this, the Chamber invites the parties and participants to make submissions regarding the continued need for maintaining the current regime of contact restrictions by no later than **25 November 2024 at 16:00**. The Defence is further instructed to make every effort to provide the VWU with the information and documents listed in ICC-01/14-01/21-859-Conf-Anx by the same time.

Kind regards,
Trial Chamber VI
