Subject: On the Prosecution List of Materials for Closing Statement

[ICC] RESTRICTED

Dear Counsel,

The Single Judge takes note of the updated list of materials for the Prosecution's closing statement.

He notes that item CAR-OTP-2051-0665, which has been added to the list, has not been recognised as formally submitted, and may therefore not be used during the closing statement. The Prosecution may however refer to the French version of the item, CAR-OTP-2001-0263, which has been recognised as formally submitted and appears on its list of materials.

Kind regards,
 TC V

[ICC] RESTRICTED

Dear Trial Chamber,

Please find attached the hyperlinked version of the "Prosecution List of Materials for the Closing Statement".

The Prosecution has added five ERNs, listed below, for which it respectfully requests their inclusion into the List of Materials for the Closing Statement.

- 1- CAR-OTP-2070-0268, CAR-OTP-2070-0274: these are two Maps that were approved by Chamber as "Agreed Fact", however they were not tagged in JEM as "Formally submitted", so the Court Officer will now include them into JEM.
- 2- CAR-OTP-2051-0665, CAR-OTP-2094-0387, CAR-OTP-2124-1244: these have been formally submitted, however because of a miscommunication with the Technical Team, they were not initially included.

Best regards,

On behalf of OTP Trial Team
