Dear Prosecution and Registry,

The Chamber notes the Prosecution's withdrawal of its request to deviate from the E-Court Protocol (ICC-02/04-01/05-545-Conf) and considers that the matter raised therein is moot. The Chamber also reminds the Prosecution of the standing order to either file a redacted version of a filing within three working days or to request that the classification be maintained (T-013, pp 24-25).

Furthermore, even though there is no need for the Chamber to assess the revised E-Court-Protocol submitted by the Registry (ICC-02/04-01/05-547), the Chamber also takes note of the revised E-Court Protocol for the purposes of the present proceedings.

Best regards,
 On behalf of Pre-Trial Chamber III

Subject: Kony case - Withdrawal of request to deviate from the E-Court Protocol

Dear Single Judge, dear all,

Yesterday, the Registry filed a revised E-Court protocol (ICC-02/04-01/05-547). The Prosecution hereby notifies the Chamber that it now considers its request to deviate from the E-Court Protocol (ICC-02/04-01/05-545-Conf) moot and withdraws it herewith.

The Prosecution will liaise with the Registry regarding the reclassification of its confidential request or alternatively filing of a public redacted version.

I wish to thank the Registry for its ongoing constructive support on these important matters.

Kind regards,
