Subject: Reclassification request in relation to ICC-01/21-80-US-Exp

Dear Pre-Trial Chamber I,

In accordance with the Chamber's recent order, and the related time extension, the Prosecution has filed a public redacted version of the Prosecution's urgent application under article 58 for the warrant of arrest against Rodrigo Roa DUTERTE (ICC-01/21-80-US-Exp) ("Article 58 Application").

Relatedly, the Prosecution requests that Annexes A, B, D and E to the Article 58 Application are reclassified as public. The Prosecution requests that Annex C retain its current classification at this time, on the basis that there is no public interest in a heavily redacted version of this annex.

The Prosecution thanks the Chamber for the extension of the deadline for this filing.

Best regards,
The Prosecution
