Subject: [ICC-01/21-01/25 – Confidential] Order on disclosure relating to filing ICC-01/21-01/25-104-Conf

Dear Counsel,

The Chamber notes that, in the ‘Prosecution’s Response to the Order seeking observations on matters related to the conduct of confirmation proceedings’ (ICC-01/21-01/25-104-Conf, 4 April 2025) and its Annex A, the Prosecution indicates its intention to disclose a number of evidentiary items as soon as ‘during the course of the week starting 7 April 2025’.

Welcoming the expeditiousness with which the Prosecution intends to proceed with the disclosure of evidence, the Chamber recalls that the modalities of such disclosure are to be set by the Chamber in an order that will be issued in due course, which will adopt a disclosure regime that might include specific elements and directives based on the Pre-Trial Chambers’ practice in recent cases. The Prosecution is therefore instructed to bear this consideration in mind when proceeding with evidence disclosure, if any, before the issuance of the aforementioned order.

Thank you and kind regards,
On behalf of Pre-Trial Chamber I
