Subject: Order in relation to the pending objections to lesser redacted versions of transcripts and/or additionally requested redactions

[ICC] RESTRICTED

Dear Counsel,

The Single Judge takes note of the numerous pending objections to lesser redacted versions of transcripts and/or additionally requested redactions.

The Single Judge considers that most of these contested redactions could be resolved between the participants and do not require the Chamber's intervention. Therefore, the participants are instructed, once again, to resolve them through *inter partes* consultations. Should no agreement be found, the participants may seize the Chamber by 23 May 2025 with a consolidated list of the remaining contested redactions. However, the Single Judge emphasises that he expects there to be only a very limited number of contested redactions left at this stage, if any.

Kind regards, TC V
