Subject: Defence's binder - P-0036

Dear Parties and participants,

Further to the Presiding Judge's order at the beginning of the session, the Registry will verify that the Defence binder corresponds to the ERNs and tab numbers in the Defence's List of Materials.

To the extent that the Defence wishes the witness to comment on specific photographs these should be displayed in the courtroom as per the usual procedure, making reference to the relevant tab numbers.

Last, to the extent that the Defence wishes to submit a number of items in bulk, it should continue to follow the procedure as set out in paragraphs 22 and 23 of the 'streamlined procedure for the formal introduction of items during a hearing'.

Kind regards,
Trial Chamber VI
