Subject: Order regarding ICC-01/14-01/21-1039-Red

[ICC] RESTRICTED

Dear Parties and Participants,
Dear Registry,

In the course of its review of the Parties' joint request regarding the disputed redactions to the Defence's Closing Brief, the Chamber observes that information which the Prosecution seeks to redact in paragraph 153 relating to P-2105 has already been made public as it appears unredacted in paragraph 148.

Without prejudice to the Chamber's determination on the joint request, and out of abundance of caution, the Chamber orders the Registry to reclassify ICC-01/14-01/21-1039-Red as 'confidential' and immediately remove access to the document from the Court's website.

Kind regards,
Trial Chamber VI
