Subject: Order in Respect of ICC-01/14-01/21-389 - Periodic Reports on the Security and Political Situation in the Central African Republic

[ICC] RESTRICTED

Dear Registry,

The Chamber recalls its previous decision in which it instructed the Registry to provide periodic reports on the security and political situation in the Central African Republic every three months, beginning from 25 August 2022 (*see* ICC-01/14-01/21-389). In this regard, the Chamber notes that the fifteenth periodic report was filed by the Registry on 2 March 2026 (*see* ICC-01/14-01/21-1046-Conf).

In light of the current stage of proceedings, the Chamber considers that periodic reports every three months are no longer required and accordingly vacates its order in this regard.

The above notwithstanding, the Chamber orders the Registry to prepare a further report on the security and political situation in the Central African Republic to be filed on 31 August 2026. The Chamber will inform the Registry should further reports be required thereafter.

Kind regards,
Trial Chamber VI
