Dear Counsel, Dear Colleagues,

Having considered the parties' joint and respective submissions (ICC-1/11-01/25-71), the Chamber hereby issues the following agenda for the status conference of 4 March 2026 (14:00-16:00):

1. **Disclosure update;**
2. **Deadline and procedures for Defence challenges to jurisdiction and admissibility;**
3. **Reclassification as public of certain filings and decisions made to date;**
4. **Any other residual issue.**

The Chamber anticipates that one 2-hour session will be sufficient to go through the agenda. Both parties will be given the floor to make submissions, for a maximum of 10 minutes, on each agenda item. The Chamber may also hear, upon request and as necessary, submissions from the OPCV.

Furthermore, the Chamber invites EOSS to be present at the status conference in order to present observations on item 2 of the agenda, particularly regarding a possible timeline to engage with and receive submissions from Libya on any jurisdiction and/or admissibility challenge.

Kind regards,
 PTC I
