Dear Counsel,
Dear colleagues,

The Chamber notes the Prosecution's request to address the Chamber in Arabic for part of its presentation during the confirmation of charges hearing (see ICC-01/11-01/25-109, para. 10). For the reasons identified in its prior decision (see ICC-01/11-01/25-106, para. 8), the Chamber grants this request and extends its authorisation to address the Court in Arabic to Counsel from the Prosecution.

Regards,
