Subject Objet	Response to the decision on the request of 24 September 2010 to be excused		

On 24 September 2010, the Presidency issued a decision on my request of 16 February 2010 to be excused from sitting in proceedings to reclassify documents in the appellate record related to the case of *The Prosecutor v. Bosco Ntaganda*. In the decision of the Presidency, the Presidency notes that my request was made on a confidential basis, but indicates that it sees no reason that the decision on the request cannot be made public. I agree with this assessment, and therefore indicate that I have no objections to the decision of 24 September 2010 being made public.
