CAR-ICC-0001-0001	Sketch	EVD-T-OTP-00596	Drawn by the witness during the examination-in-chief in support of his testimony.¹ Relevant and probative to show <i>inter alia</i> the existence of an armed conflict; that crimes of looting and rape have been committed; that the MLC was present in the CAR during the charged period. The evidence has no prejudice to a fair trial as the Defence had the opportunity to question the witness and amend his sketch.	Public

CAR-OTP-0064-0560	Expert's Report	EVD-T-OTP-00003	The report is relevant and probative as it forms the basis of witness's testimony on sexual violence and PTSD. There is no prejudice to a fair trial as it was disclosed to the Defence well in advance of the expert's testimony and the Defence had the opportunity to examine the witness on this report. CAR-OTP-0020-0442	Certificat de victime de viol lors des événements du mois octobre 2002	EVD-T-OTP-00129	Relevant and probative to prove <i>inter alia</i> rape. Although prepared in October 2004, it makes it more probable than not that the witness's rape occurred during the events, or at the very least an inference may be drawn from the fact that she sought medical assistance for rape in Nov 2002 – during the events and after the MLC's intervention into CAR. The document contains sufficient indicia of reliability - it was provided by the witness to the Prosecution and further identified by the witness in court	Confidential

CAR-ICC-0001-0011	Modification of CAR-OTP-0039-0135_R01	EVD-T-OTP-00602	The witness marked the signature at the bottom of the first page of CAR-OTP-0039-0135_R01 as hers. The relevance results from the fact that the witness was not the author of the complaint to CAR national authorities and therefore inconsistencies cannot be attributed to her. The document is probative because it is more probable that the information provided in the complaint is incorrect as it was neither read back nor signed by the witness as accurate.
