Sudan Participates in Inauguration of President of Central African Republic

Khartoum, Aug. 19 (SUNA)- The Minister of Defence, Gen. Abdul-Rahim Mohamed Hussein, has attended, on behalf of the President of the Republic, Field Marshal Omer Al-Bashir, the inauguration of the President of the Central African President, Michel Djotodia. The inauguration was attended by a number of African heads of state and envoys of African Presidents along with representatives of the African Union and other regional organizations. Meanwhile, Sudan government delegation, which was composed of the Minister of Defence, Gen. Abdul-Rahim Mohamed Hussein, and the General Director of the Security and Intelligence Organ, Mohamed Atta, met with the Central African President, Michel Djotodia, and appreciated the fraternal and deeply-rooted ties between the two countries and called for more joint work and cooperation between Sudan and the Central African Republic.
